3. Christmas Parade

Council to review the event. The council considered the event went well with a good turnout. It was decided not to use the band and use 2 pa systems playing Christmas music, residents appreciated the chocolates that were given out. RNR Traffic Management hadn't done such a good job of managing the traffic as at Remembrance Sunday but would be used again now that they know what to expect from the parade, more marshals would be required. St John's Church considered the church service went well.
