

## Chasewater.

We have joined Chasewater Friends and will be looking at ways to join up existing and planned footpaths and cycle routes to extend the facilities in the area.

## Five Ways Memorial Gates.

We are undertaking a project to install two new benches at Five Ways. One to commemorate the fallen, the other to commemorate the mining industry. The two existing benches will be re-located within the park.

This is being done with the co-operation of Cannock Chase Council, who own and manage the park.

We were also pleased to successfully apply for 10 bench silhouettes and donated them to the Bourne and St John's Churches. A poignant and permanent reminder

## Cannock Chase Council

We were grateful for the help from Cannock Council with the donations of four large banners, 600 Service Booklets and a full page advert with the details of all events. Also, the gift of the commemorative beacon.
