The Parish Council would host a picnic in the park event on the Friday or Saturday during the Jubilee weekend. A grant had been applied for from Sporting England for £10,000. Quotations had been gathered for stages, acts and portable toilets. Market stall holders and food vendors would be invited to participate in the event at a small cost. Sports events would be going on around the field and continue the following day. Football, tennis, basketball, kickboxing, dancing and yoga events had been approached.

6. Commonwealth Games

The committee decided not to have an event as the budget was very stretched. The committee considered the footfall of participants would be very low as the event is within our district, residents could watch the event live.
